ISSUED: May 3, 2006

By the Commission:

Hearing in this matter is set for May 17, 2006, pursuant to our previous March 2, 2006, Scheduling Order. By memorandum submitted April 20, 2006, the Committee of Consumer Services informed the Commission that a number of the parties did not intend to submit legal memoranda for the May 17, 2006, hearing. This is due to these parties' apparent progress in negotiating an agreement to be presented at the May 17, 2006, hearing. By filing submitted May 3, 2006, Roger Ball informed the Commission that he is not joining into the proposed agreement and requests that he be allowed to file his replies, by May 12, 2006, to delayed response pleadings filed April 28, 2006, of the Division of Public Utilities and Questar Gas Company.

Based upon Mr. Ball's request, we conclude that it is reasonable that Mr. Ball be permitted to file his reply within the two week period original scheduled.

Wherefore, it is hereby ORDERED that Mr. Ball may file his reply and surrebuttal testimony on or before May 12, 2006.
