Questar Gas Company, the Division of  
Public Utilities, and Utah Clean Energy,  
for the Approval of the Conservation  
Enabling Tariff Adjustment Option and  
Accounting Orders

Docket No. 05-057-T01

UTAH COMMITTEE OF CONSUMER  
SERVICES' NOTICE OF COMPLIANCE  
AND RESPONSE TO REQUESTS FOR

## SOURCE MATERIALS

Pursuant to the Utah Public Service Commission's Order on the Utah Division of Public Utilities Motion to Strike and Questar Gas Company's Objection to Admission, both pertaining to the August 31, 2007 Surrebuttal Testimony of David E. Dismukes, Ph.D., issued in the course of the hearing on September 19, 2007, the Utah Committee of Consumer Services gives notice that on September 19, 2007, the Committee provided Questar's counsel with name and directory index references to the source documents containing the data at issue. Questar's counsel confirmed that with these references, Questar located the source documents.

The Committee also served upon Questar and the Division, a duplicate copy of the Questar data upon which Dr. Dismukes relied, together with an explanation of the source, and provided clarification of the "decimal point" inquiry during Questar's cross-examination.

A copy of the e-mail forwarding the data, and the explanation are attached. Due to the volume of the data, it is not attached to this notice.

Dated this 20<sup>th</sup> day of September 2007.
