BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application of Questar) CEDAR FORT
Gas Company for an Order to Remove GSS) STATEMENT IN SUPPORT
And EAC Rates from the Company's Tariff) OF GSS/EAC STIPULATION
)
) DOCKET No. 06-057-T04

The Town of Cedar Fort ("Cedar Fort"), by and through its legal counsel, respectfully submits its Statement in Support of the GSS/EAC Stipulation, dated February 17, 2007, to the Public Service Commission of Utah (the "Commission") as follows:

1. Cedar Fort was a signatory to the Stipulation of settlement dated February 17, 2007, and its petition to intervene in this hearing was granted on December 26, 2006.

2. Cedar Fort and its citizens have been paying the increased EAC rates for a prolonged period of time and due to the inequities and ambiguities inherent in the surcharge rate, the Cedar Fort gas users are unsure as to the future longevity of this obligation and will continue to be harmed because the impact of such rates are detrimental to the town's ability to compete for a stronger business and residential base upon which the rate was initially based.

3. The GSS/EAC Stipulation provides a compromised solution to discontinue charging the GSS/EAC rates for rural gas users while at the same time preserving appropriate accounting so that the general impact can be fairly dealt with over time in view of the valid concerns of the general rate customers.

4. Cedar Fort is very appreciative of the work done by the Task Force and the continued efforts of those genuinely concerned with providing a workable solution for rural communities that does not negatively impact their ability to compete on a level playing field with the metropolitan areas.

5. The GSS/EAC Stipulation represents fairly the compromised settlement, based on responsible and timely studies, between the rural communities, Questar and the state-empowered committee which has the broad-based charge to protect the public's interest.

6. Accordingly, Cedar Fort respectfully requests the Commission to order the implementation of the GSS/EAC Stipulation.

Duane W Moss, Attorney
For and on behalf of Howard Anderson, Mayor
Town of Cedar Fort
