Date: November 1, 2006

Subject: Questar Gas CET Tariff, Docket No. 06-057-10.

ISSUE:

Questar Gas Company (QGC) filed on November 1, 2006 an application to adjust the DNG rates for the GS-1 and GSS rate classes in order to implement the amortization of a \$1.1 million over collection in Account 191.9 as provided for in the October 5, 2006 order of the Commission on the settlement stipulation in Docket No. 05-057-T01. If approved by the PSC, a typical residential customer, assuming a usage of 115 decatherms per year, will see an average decrease in their annual bill of \$1.56.

RECOMMEND APPROVAL:

The Division has reviewed the revised tariff sheets for the GS-1 and GSS rate classes and verified that the revised DNG rates have reduced revenues from the GS-1 and GSS rate classes by \$1.1 million and recommends to the Commission they approve the revised

tariff sheets as filed.
