UTAH PUBLIC
SERVICE COMMISSION

Dear Sir

2007 MAR 20 A 8:36

0405261

We don't feel there is right for us
to help some small town
in southern Utah to pay there gas bill.
Why doesn't questar just forgive
that extra surcharge.

after all these were all adult
that signed up for this.

most all of us are on a fixed
income, and we still have to
get our appliances adjusted for the
(Green Bill)

Thank you
