In the Matter of the Application of	:	DOCKET NO. 00-057-10
QUESTAR GAS COMPANY to adjust	:	
Rates for Natural Gas Service in Utah	:	<u>STIPULATION</u>

---

Pursuant to Utah Administrative Code § R746-100-10.F.5 and Utah Code Ann. §§ 54-4-1 (1994) and 54-4-4 (1994), Questar Gas Company ("Questar Gas" or the "Company"), the Division of Public Utilities ("Division"), and the Committee of Consumer Services ("Committee"), (collectively the "Parties") submit this Stipulation for natural gas pass-through cases. The Parties agree and stipulate as follows:

1. Based on the volatile natural gas market experienced in recent years, price stability should be a factor considered by the Company in procuring future natural gas supplies for retail sales customers. The unpredictable spot market experienced in the past year could continue into the future. In this respect, the Company should take into account price stability as well as cost and reliability in procuring purchased gas supplies.

5. This Stipulation is an integrated whole, and any Party may withdraw from it if this Stipulation is not approved in its entirety by the Commission.

IN WITNESS WHEREOF, the Parties have executed this Stipulation as of this \_\_\_ day of May, 2001.
