SYNOPSIS

Based on the October 12, 2011 memorandum of the Division of Public Utilities, reporting the results of its audit of Questar Gas Company's 191 Account for 2008, the Commission makes final the interim rates changes previously ordered in these dockets.

By The Commission:

On October 4, 2007, Questar Gas Company (the "Company") submitted a 191 Account Application, Docket No. 07-057-09, requesting a gas cost related rate decrease. In an order dated October 31, 2007, the Commission approved this application on an interim basis pending the completion of an audit by the Division of Public Utilities ("Division").

On June 5, 2008, the Company submitted another 191 Account Application, Docket No. 08-057-15, requesting a gas cost related rate increase. In an order dated June 30, 2008, the Commission approved a portion of the requested increase, pending the completion of an audit by the Division of Public Utilities ("Division"), and deferred consideration of the remainder of the increase to a future filing.
