

- BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH-

In the Matter of the Application of Questar)
Gas Company to file a General Rate Case) DOCKET NO. 07-057-13
) SCHEDULING ORDER
)

ISSUED: December 27, 2007

By the Commission:

Based on the information presented by interested persons and the discussion at the December 20, 2007, Scheduling Conference held in this docket, the Commission makes the following order regarding the schedule in this docket dealing with the general rate case application submitted by Questar Gas Company (the Company) on December 19, 2007.

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED that:

1. Phase I (Revenue Requirement) and II (Cost of Service). These proceedings will be divided into two phases: a revenue requirement phase and a cost of service phase. The revenue requirement phase will include the rate spread (how the overall revenue requirement is to be allocated to the various customer classes), leaving the rate design (the setting of rates and charges within the various customer classes to generate a class' allocated revenue requirement) to the cost of service phase of the docket. The revenue requirement phase may also address test year issues or disputes if raised by an interested person, as provided herein.

2. Intervention.

A. Phases I and II. An intervention deadline for this docket, except for persons desiring to raise issues associated with the test year, is set for February 1, 2008. Petitions to intervene must be filed on or before this date. Objections to any intervention request shall be made within 15 calendar days after service of an intervention request; replies to any objections shall be made within 10 calendar days after service of an objection.

Persons desiring to comment on the rate case may do so without intervening. The Commission will accept written comments and has set times for interested persons to appear and provide oral comments during the public hearings scheduled for this rate case docket. Please note that the Commission's procedural rules require that if any information is provided to be relied upon as evidence by the Commission to resolve a disputed matter, the presentation must be made under oath and subjecting the proponent to cross-examination by the parties participating in the docket.

B. Test year issues. If a person desires to raise issues dealing with the appropriate test year to be used in this rate case (a test period different from that proposed by the Company), intervention petitions must be filed on or before January 11, 2008; the same filing deadline for any Motions for a Test Period Designation. Objections to an intervention request of a person raising test year issues are to be made within 5 calendar days after service of the intervention request and replies to any objections shall be made within 5 calendar days after service of an objection.
