| BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH | |
| In the Matter of the Application of Questar Gas Company | Docket 07-057-13 REQUEST TO INTERVENE |

Pursuant to Utah Code Ann. § 63-46b-9 and Rule R746-100-7, Central Valley Water Reclamation Facility, the largest wastewater treatment facility in the State of Utah, hereby petitions to intervene in this docket.

In support of this petition, Central Valley Water states as follows:

1. Petitioner would qualify as a small transportation customer.
2. With the proposed tariff changes, Central Valley believes that future impacts to its operation makes it necessary that it be a participant in the discussions which will be taking place.
3. Petitioner has not fully determined the specific positions it will take or the relief

it will seek. Petitioners seek to intervene for purposes of protecting its interests as it may appear, particularly on issues of relevance to demand side management and may include other small transportation customers not represented by other parties.

4. Notices in this proceeding should be sent to the following:
