BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application of Questar
Gas Company to Increase Distribution Non-Gas
Rates and Charges and Make Tariff Modifications.

Docket No. 07-057-13

**PETITION TO INTERVENE OF
THE INDUSTRIAL GAS USERS**

In accordance with Rule 746-100-7 of the Public Service Commission's Rules of Practice and Procedure and the Provisions of Utah Code Ann. § 63-46b-9, Fairchild Semiconductor, Holcim, Inc., Kennecott Utah Copper Corporation, Tesoro Refining and Marketing Co., and Westinghouse Electric Company/Western Zirconium (this group of customers will be referred to hereinafter for convenience only as the "Industrial Gas Users" or "IGU"), hereby petition the Public Service Commission ("Commission") for leave to intervene in the above-referenced proceeding.

In support of this Petition to Intervene, the IGU state as follows:

1. On December 19, 2007, Questar Gas Company (“Questar”) filed an Application with the Commission for an increase in its distribution non-gas rates and for certain tariff modifications.

2. The consumers herein referred to as IGU are a group of consumers who each take service from Questar.

3. The consumers herein referred to as IGU have joined together for the purposes of intervention in this docket to have their common interests represented. Because of the nature of the service provided to them, the interests of each of the IGU consumers will not be adequately represented by any other party to this proceeding.

4. The consumers herein referred to as IGU have a direct, immediate, and substantial interest in this proceeding as customers of Questar because the availability of service and the rates they pay for natural gas transportation service on Questar’s local distribution system may be affected by a Commission decision on Questar’s Application.

5. If the consumers herein referred to as IGU are granted leave to intervene in this proceeding, they hereby request that service of all pleadings, notices, etc. be made to the following:

6. The interests of justice and the orderly and prompt conduct of this proceeding will not be impaired by the grant of the IGU's Petition to Intervene.

7. The consumers herein referred to as the IGU have not yet determined the level of their participation or the precise nature of the relief the IGUC will seek, but request that the Commission grant them intervention as their interests may appear.

WHEREFORE, the IGU request that the Commission enter an Order granting the consumers herein referred to as the IGU permission to intervene in this docket and to participate to the full extent allowed by the law.

DATED this 11th day of January, 2008.
