

Qualifications of Tina M. Faust

Current Responsibilities

As Manager of Gas Supply, I am responsible for purchasing supplies for all the residential and small commercial customers of Questar Gas Company. I also manage the gas supplies that are produced from the Wexpro-operated wells. I am responsible for negotiating and managing transportation and storage contracts as well as capacity release. My department performs short and long term planning functions and is responsible for publishing an annual Integrated Resource Plan. The Gas Supply department also monitors the nominations and usage of interruptible transportation customers on a daily basis.

Prior Responsibilities and Experience

I have been employed by Questar for 22 years. In addition to my 16 years in Gas Supply, I worked in Accounting and Contract Administration for Questar Pipeline Company, and in Gas Marketing for Questar Energy Trading (formerly Questar Energy Company).

Educational Background

I received a Bachelor of Arts degree in Finance in 1988 and a Master of Business Administration degree in 1991 from the University of Utah.
