JULIE, ~~BASED ON~~ A PHONE CONVERSATION  
01-05-09 @ APPROX 3:30 PM, M.S.T. IN REFERENCE  
TO DOCKET # 08-051  
RECEIVED

YOU AND I DISCUSSED THE IDEA OF  
SEVERING MY CLAIM FROM THE OTHERS AGAINST  
QWESTAR GAS. I THINK THIS SHOULD BE DONE  
AND THAT I RECEIVE A \$175<sup>00</sup> CREDIT TO MY  
CURRENT RESIDENCE ACCOUNT.

IT IS MY CONTENTION THAT THE TRANSPONDER  
IN MY PREVIOUS LOCATION OF 250 E. CHESTNUT LANE,  
LOGAN, UT. 84321 WAS INDEED FAULTY IN GIVING  
THE PROPER READING THAT WINTER OF 2006-2007.

ALSO, AS I TOLD YOU, THERE WERE SOME  
FURNACE MALFUNCTIONS (2) THAT MAY HAVE PLAYED  
A PART. THE LANDLADY DID NOT RESPOND WITH  
REPAIRS IN A TIMELY MANNER.

#1 WAS NOV-14-17<sup>TH</sup>. #2 WAS REPORTED  
ON DEC 22, 2006, BUT, WAS NOT REPAIRED UNTIL  
JAN 24, 2007. IT INVOLVED A FUEL IGNITER  
DISTRIBUTION VALVE THAT WAS FOUND TO BE CRACKED  
AND MALFUNCTIONING. I TRULY FEEL I SHOULD BE  
EXONERATED FROM THIS DEBT.

I THANK YOU FOR ALLOWING ME AN  
EXTENSION ON FILING AS I DO NOT DO INTERNET  
AND YOU WERE OUT FOR THE HOLIDAYS.

CORDUALLY

JULIE, SIDE NOTE: IN MY ORIGINAL COMPLAINT, I HAD FORGOTTEN  
ABOUT THE FURNACE MALFUNCTIONS. HOWEVER, I STILL THINK ON  
JULY 2, 2007, FINAL READING OF THE \$175<sup>00</sup> WAS STILL THE TRANSPONDER.
