BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

| | |
|---|--|
| IN THE MATTER OF THE CONSOLIDATED DOCKET OF FORMAL COMPLAINTS AGAINST QUESTAR GAS COMPANY RELATING TO BACK-BILLING | DOCKET 08-057-11 MOTION FOR PROTECTIVE ORDER |
|---|--|

Questar Gas Company (Questar Gas) moves the Utah Public Service Commission (Commission) to enter a Protective Order in this docket in the form attached, and in support of this Motion, states:

1. Nine customers have filed formal complaints. The Division of Public Utilities (Division) submitted memoranda to the Commission recommending that three of the formal complaints be set for hearing. The Committee submitted a Memorandum requesting, among other things, that the Commission consolidate the formal and informal complaints under one docket. On April 1, 2008, the Commission issued an Order Consolidating Dockets and ordered the Division to conduct an investigation into the matter. Questar Gas submitted its answer in response to the issues raised in the consolidated complaints.

2. Much of the information Questar Gas will be sharing with the Commission, the Division of Public Utilities, and the Committee of Consumer Services is confidential.

3. The entry of the proposed Protective Order will provide Questar Gas protection to valuable confidential, trade secret and proprietary information.

4. The entry of the proposed Protective Order will afford protection to the Commission as well as parties who might review the information and subsequently be requested to reveal its contents inasmuch as the proposed Protective Order sets forth clear parameters for use of confidential information.

5. The proposed Protective Order is fair and equitable to all parties.

6. The proposed Protective Order is substantially the same as the Orders entered by the Commission in prior dockets.

THEREFORE, Questar Gas Company respectfully requests that the Commission enter the Protective Order in this docket in the form attached.

DATED this 2nd day of May, 2008.

Respectfully submitted,

QUESTAR GAS COMPANY
