

-BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH-

In the Matter of the Formal Complaint of Robert E. and Susan Slattery against Questar Gas Company)	<u>DOCKET NO. 08-057-18</u>
In the Matter of the Investigation and the Consolidation of Dockets of the Formal Complaints against Questar Gas Company Relating to Back-Billing)	<u>DOCKET NO. 08-057-11</u>
)	<u>ORDER CONSOLIDATING DOCKETS</u>

ISSUED: July 15, 2008

By the Commission:

On April 1, 2008, the Commission issued an Order Consolidating Dockets (“Consolidation Order”) consolidating numerous customer complaint dockets relating to recent billings from Questar Gas Company (“Questar”) for gas allegedly consumed by customers over the past two years but not previously billed by Questar due to recently identified problems with the measurement of the customers’ gas consumption. The Consolidation Order also stated any similar complaints filed in the future would be automatically consolidated under Docket No. 08-057-11.

On June 16, 2008, Complainants Robert and Susan Slattery filed a formal complaint against Questar which raises substantially the same issues as the previous complaints consolidated in Docket No. 08-057-11. However, due to administrative oversight, the subject complaint was not immediately consolidated into Docket No. 08-057-11.

On July 7, 2008, Questar filed a Motion for Stay of Proceedings and for Enlargement of Time to Respond to Complaint (“Motion”) noting complainants’ allegations are

DOCKET NOS. 08-057-18 & 08-057-11

-2-

substantially the same as those encompassed by Docket No. 08-057-11 and requesting that further proceedings in the subject docket, including Questar's obligation to respond to said allegations, be stayed until Commission decision in Docket No. 08-057-11.

Having reviewed the subject matter of Docket No. 08-057-18, as well as Questar's Motion, the Commission determines to consolidate Docket No. 08-057-18 into Docket No. 08-057-11. As such, Questar's Motion is moot.

Wherefore, it is hereby ORDERED:

1. The above-entitled dockets are consolidated.
2. All future proceedings will be conducted in and matters addressed using Docket No. 08-057-11.

DATED at Salt Lake City, Utah, this 15th day of July, 2008.
