Re: In the Matter of the Investigation and the Consolidation of Dockets of the Formal
Complainants Against Questar Gas Company Relating to Back-Billing
Docket No. 08-057-11

Dear Ms. Orchard:

Please find enclosed a Settlement Stipulation to be filed in Docket No. 08-057-11. The Division of Public Utilities (Division), the Committee of Consumer Services (Committee), the Salt Lake Community Action Program (SLCAP), and Questar Gas Company (Questar Gas) have reached terms they deem appropriate for the resolution of the issues in this case.

Questar Gas respectfully requests that the hearing time presently scheduled for October 22-23, 2008 be utilized for the purposes of a hearing on the Settlement Stipulation. Specifically, Questar Gas requests that the hearing time be utilized for purposes of determining whether the proposed settlement is a just and reasonable resolution of the issues raised in this matter. Questar Gas further requests that, if the Public Service Commission (Commission) declines to accept or approve the Settlement Stipulation, a new hearing be scheduled for purposes of receiving evidence on the merits of the issues appropriately raised in the docket.

The Division and Committee have both indicated agreement with this approach to the schedule. Please advise, at your earliest convenience, whether the Commission is amenable to this approach. The parties will need to know in order to properly prepare for the upcoming hearing.

Sincerely,

Jennifer N. Bye
