Commission Secretary
G#61658

APPENDIX A
Agenda for Technical Conference on Natural Gas Vehicles

Wednesday April 23, 2009, from 10:00 a.m. to noon
Room 401 of the Heber M. Wells Building

Docket No. 08-057-21: In the Matter of the Investigation of Questar Gas Company's Services Associated with Natural Gas Vehicles

Purpose and Scope of Technical Conference:

- To begin to develop a uniform knowledge base and understanding of the history of Questar Gas's natural gas vehicle ("NGV") rate, what the various NGV rate components represent and how they are determined, status of the NGV market in Utah, and recent legislation pertaining to NGV rates.
- To identify topics associated with natural gas vehicles for which investigation may be warranted in support of a broader analysis of the use of natural gas for NGVs, including the costs and benefits of such use

Note:

- The focus of the technical conference will be informational presentations with time for questions, answers and discussion. Other topics and policy issues will be addressed in future meetings and technical conferences.

I.	Introductions	10 minutes
II.	Role of the Commission, Commission expectations regarding the process and objectives of this docket, and brief history of the recent Questar Gas general rate case with respect to the NGV rate	10 minutes (PSC)
III.	History of Questar's NGV rate	15 minutes (Questar Gas)
IV.	Discussion of various rate components of the NGV rate, calculation of GGE, and final pump price	20 minutes (Questar Gas)
V.	Update on the status of the NGV market and recent legislative actions pertaining to NGVs in Utah	20 minutes (Questar Gas)
VI.	Suggestions for future discussion topics and identification of participants' expectations regarding this docket	20 minutes (PSC)
VII.	Discussion of next procedural steps	15 minutes (PSC)
