**SALT LAKE CHAMBER'S  
PETITION TO INTERVENE**

---

The Salt Lake Chamber, hereby petitions the Public Service Commission of Utah for intervention in the above-captioned matter pursuant to Utah Code Ann. § 63G-4-207 and Utah Admin R746-100-7.

The grounds for the motion are as follows:

1. On September 30, 2008, the Public Service Commission of Utah filed a Notice of Technical Conference allowing Questar Gas Company ("Questar Gas") to present information regarding Questar Gas services for natural gas fueled vehicles (NGV).

2. The Salt Lake Chamber is Utah's largest business association and Utah's Business Leader™. With roots that go back to 1887, the Chamber has been standing as the voice of business, supporting its members' success and championing community prosperity for over 100 years. The Chamber represents over 4,100 businesses statewide and one in every three jobs in the Utah economy.

3. The Salt Lake Chamber seeks to intervene for purposes of protecting the interests of its members as they relate to the NGV market, the retail price of natural gas to serve NGV and the development of needed refueling infrastructure to service the NGV market.

4. The Salt Lake Chamber's intervention and participation in this matter will not materially impair the prompt and orderly conduct of this proceeding.

5. The Salt Lake Chamber requests that copies of all notices and filings in this docket be served on:
