RE: "DOCKET NO. 07-057-13 In the Matter of the Application of Questar Gas Company to Increase Distribution Non-Gas Rates and Charges to Make Tariff Modifications. As Filed by the Commission on Monday, December 22, 2008

Dear Commissioners:

You may see this letter as silly, if so I do apologize. I am not going to scream or yell. I am not going to tell each of you what to do., only you can answer that within yourselves. I think you have received enough letters that have told you plenty about the patriotism of owning a CNG vehicle to help us break away from foreign oil and conservation reasons for owning a CNG vehicle. I am sure you have had people swearing, ranting and venting venomous things. I am sure that all the members of the PSC and Questar feel fully justified and have rationalized over and over all your reasons for this painful burdensome decision that could heap a burden upon the backs of good people even in these hard economic times. This country is in trouble. The people are scared and hurting. Who and when is someone going to say "We hear you, we feel your pain and we have come to your aid? I pray that each of you of the PSC, and all the executives at Questar, will do the right thing... what is right for this country and this economy. I hope you will read this to others and pass it on..... It is way past due

When you get what you want in your struggle for self,
And the world makes you King for a day,
Just go to the mirror and look at yourself,
and see what that person has to say.

For it isn't your Father or Mother or Wife,
who's judgements upon you must pass,
but the one who's verdict counts most in your life
is the one staring back in the glass.

He is the fellow to please never mind all the rest
For he is with you clear to the end
And you've past your most dangerous difficult task
If the man in the glass is your friend.

Some may think you are a wonderful chum
And call you a wonderful guy
But the man in the glass says your only a bum
If you can't look him straight in the eye.

You may fool all the world down the pathway of years
And get pats on your back as you pass
But your final reward will be heartache and tears
If you've cheated the person in the glass.

You have to live with a decision that could negatively or positively affect thousands of good people. My prayers are with you as you weigh the consequences that your decision will have upon your lives and upon the lives of good, hardworking people.

Sincerely
