DEAR SIR: PLEASE REOPEN DOCKET 07-057-13 AND 08-057-21 FOR PUBLIC COMMENT. IT IS VERY UNJUST TO RAISE THE CURRENT PRICE OF CNG TO \$1.43. I PURCHASED A CNG VEHICLE 5 YEARS AGO TO HELP UTAH HAVE CLEAN AIR AND WILL CONTINUE TO DO SO IF THE EXPENSE IS CORRECT TO DO SO. NGV USERS ARE BEING SINGLED OUT FOR THIS INCREASE IN GAS RATES. A MAJORITY OF THE NGV IN UTAH STAY IN UTAH TO FUEL AND RAISING THE PRICE WILL HURT THE EFFECT ON THEM FOR UTAH.

WEXPRO GAS RESOURCE NEEDS TO BE CONTINUED TO BE INCLUDED IN NGV RATE CALCULATIONS. ANYTHING SHORT OF THAT WOULD HURT THE NGV OWNERS AND UTAHS CLEAN AIR

SINCERLY,

TERRY LONG
