**SUBJECT:**  
 Dear Gov Huntsman,

We strongly feel that you need to step in and undo the recent decision on the natural gas price increase voted by YOUR Utah Public Service Commission. In this time of economic crisis and our countries need to reduce our dependence on foreign oil, this increase is unconscionable. Did the Commission innapropriately give Questar an increase? Are these Commissioners serving the Public?? Maybe we should change their name to the DISSERVICE COMMISSION. My wife and I were thinking of converting our truck to NG or possibly purchase a NG vehiclle. Their decision has now maade that decision mute.

Please do the right thing, step in and take control and get this decision reversed or at the very least modified.

Respectfully submitted,  
 Mark and Karen Rabwin
