*Re: Questar Gas Company's Confidential IRP Second Quarter Variance Report
Covering the period from August 2009 through October 2009 for Docket No. 09-
057-07 (May 2009 IRP)*

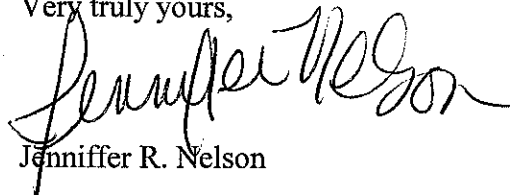

Dear Ms. Orchard:

In compliance with the Modified Standards and Guidelines for Integrated Resource Planning, Questar Gas Company submits an original and five copies on yellow paper of its Second Quarter Variance Report for the months August 2009 through October 2009.

These reports are filed as confidential information under the Protective Order issued in this docket. Questar Gas desires that this information not be released to the general public because to do so could put the company at a bargaining disadvantage with producers. Questar Gas requests that the Commission maintain this report as confidential pursuant to the Protective Order. The Company will provide confidential copies of this report to the Division of Public Utilities and the Committee of Consumer Services pursuant to the Protective Order.

If you have any questions regarding this matter, please do not hesitate to contact me.

Very truly yours,

Jennifer R. Nelson
