SUBJECT:

Action Request regarding Application from Questar Gas Company for the 2010 DSM Budget, Docket No. 09-057-15.

ISSUE:

Action Request for Questar Gas Company's (Company) 2010 Demand Side Management (DSM) Budget, due November 30, 2009, Docket No. 09-057-15.

RECOMMENDATION:

Close current Action Request due November 30, 2009.

DISCUSSION:

On October 1, 2009, QGC filed an application with the PSC for approval of its Demand Side Management Programs and Market Transformation Initiative Budget for 2010. On the same date, the PSC issued an Action Request to the Division to review the application.

In the course of that review, the Division discovered some issues that will require an update to the DSM Model filed with the 2010 DSM Budget Application. The Division therefore requests that the current Action Request due November 30, 2009

be closed and a new Action Request under the same Docket No. 09-057-15 be issued when the Company has had a chance to update and file the DSM Model with the requested changes. The Division expects those changes to be filed within the next few days.
