By The Commission:

Notice is hereby given that a Scheduling Conference in the above-entitled matter will be held on **Thursday, August 19, 2010, at 9:00 a.m., Fourth Floor Room 401**, Heber M. Wells State Office building, 160 East 300 South, Salt Lake City, Utah.

This new docket has its origins in the Settlement Stipulation in Docket No. 09-057-16, approved by the Commission on June 3, 2010. Paragraph 13 of the Settlement Stipulation states:

“The Parties request that the Commission open a new docket in conjunction with the approval of this Stipulation. This will allow the Parties the time needed for the Company [Questar Gas Company], among other things, to update its distribution plant factor study and to more fully analyze and review Parties’ cost of service and rate design proposals. The Parties anticipate this proceeding may take from 12 to 24 months to complete. The Parties agree that any cost of service and rate design issues resolved in the Commission’s final order in this new proceeding will be used by the Company as a basis for its cost of service and rate design proposal in its next general rate case.”

Accordingly, this new docket is opened to facilitate examination of the updated distribution plant factor study and various cost of service and rate design proposals.
