NOTICE OF TECHNICAL
CONFERENCES

ISSUED: December 8, 2010

By The Commission:

Notice is hereby given that the following series of **Technical Conferences** will be held in the above-entitled matter in order to continue the discussions related to cost of service, cost allocation and rate design issues identified by the parties in this Docket:

- **Wednesday, January 5, 2011, 8:30 a.m. - noon, Room 401 Heber M. Wells Bldg.**
- **Thursday, January 27, 2011, 9:00 - 11:00 a.m., Room 401 Heber M. Wells Bldg.**
- **Tuesday, February 8, 2011, 9:00 - 11:00 a.m., Room 401 Heber M. Wells Bldg.**

The Heber M. Wells Building is located at 160 East 300 South, Salt Lake City, Utah.

The purpose of these conferences will be to continue to review and discuss modifications to Questar Gas Company's ("Company") distribution plant factor study, peak day factor study, and cost-of-service model. The cost-of-service model is being revised to include information for the examination of possible methods for dividing the General Service-1 ("GS-1") Class. Other topics for discussion during these conferences as identified by the Parties include allocation of peak-day costs, the appropriate basis for measuring system peak-day costs, rate design, and means of encouraging energy conservation and efficiency. The sequence of
