*Re: Cost of Service Model in Docket No. 10-057-12*

Dear Commission:

Pursuant to the Scheduling Order dated September 9, 2010 in the above referenced docket, on March 17, 2011 Questar Gas Company provided to the Parties of that docket and to the Staff of the Utah Public Service Commission (Commission) a Cost of Service Model. On March 23, 2011, a technical conference was held during which attendees made suggestions and proposed changes to the Cost of Service Model. Based on those suggestions, Questar Gas has updated the Cost of Service Model and has attached the updated model for inclusion in the Commission files for this docket.

Additionally, an electronic version of this model and the accompanying files are available on the Company's V-Bulletin website. If you have any questions about the model or need assistance in accessing V-Bulletin, please contact us.

Sincerely,

Barrie L. McKay
