ORDER

Parties, primarily the Company, should be prepared to address the following question:

On September 27, 2010, the Small Business Job Act of 2010 (2010 Jobs Act) was signed into law extending the 50 percent bonus depreciation for tax purposes related to qualifying assets placed into service during the calendar year 2010. Is the revenue requirement for the proposed infrastructure rate adjustment in Docket No. 10-057-20 affected by bonus depreciation implemented in the 2010 Jobs Act? If so, how is this represented in the calculation of revenue requirement included in Exhibit 1.1?

DATED at Salt Lake City, Utah, this 6th day of December, 2010.
