Re: *2nd Quarter 2016 Line Damage Reports; Docket 11-057-05*

Pursuant to the Final Order Approving Amended Confidential Settlement Stipulation issued on October 25, 2011 in Docket No. 11-057-05, Questar Gas Company submits an original and five copies of its Quarterly Line Damage Report detailing the "First Party, Second Party, and Third Party damage" to its facilities.

These reports are filed as confidential information pursuant to Utah Admin. Code § 746-100-16 *et seq.* Questar Gas requests that this information be maintained as confidential and not be released to the general public because the attached reports contain sensitive and confidential information. The Company has marked the attached reports as "CONFIDENTIAL – SUBJECT TO UTAH PUBLIC SERVICE COMMISSION RULE 746-100-16" and submitted them on yellow paper pursuant to Utah Admin. Third party damage for the previous quarters included system-wide totals. This report reflects the updated changes to include only Utah in the totals.

If you or your staff has additional questions concerning these reports, please call me.

Sincerely,

Barrie L. McKay
