Dear Mr. Hwang:

Re: 3rd Quarter 2016 Line Damage Reports; Docket 11-057-05

Pursuant to the Final Order Approving Amended Confidential Settlement Stipulation issued on October 25, 2011 in Docket No. 11-057-05, Questar Gas Company submits an original and five copies of its Quarterly Line Damage Report detailing the "First Party, Second Party, and Third Party damage" to its facilities.

These reports are filed as confidential information pursuant to Utah Admin. Code § 746-100-16 *et seq.* Questar Gas requests that this information be maintained as confidential and not be released to the general public because the attached reports contain sensitive and confidential information. The Company has marked the attached reports as "CONFIDENTIAL – SUBJECT TO UTAH PUBLIC SERVICE COMMISSION RULE 746-100-16" and submitted them on yellow paper pursuant to Utah Admin. Code § 746-100-16, *et seq.*

In the time since the last line damage report was filed, damage reports were discovered in previous quarters. Subsequently, the reports for the first and third party damages have been changed in the 1st quarter and second and third party damages have been changed in the 2nd quarter.

If you or your staff has additional questions concerning these reports, please call me.

Sincerely,

Barrie L. McKay
