By The Commission:

This matter is before the Commission on Questar Gas Company's ("Questar") Motion for Extension of Time. The Commission previously extended the deadline for comments in this docket from August 4, 2011 to August 25, 2011, at the request of the Division of Public Utilities ("Division"). By motion filed September 6, 2011, Questar requests that the time for filing its response to the comments filed by both the Division and the Office of Consumer Services ("Office") be extended until September 30, 2011. Questar asserts the comments raise a number of issues which it has not yet fully reviewed.

The Commission grants Questar's request for an extension of time. Its response to the previously filed comments shall be due September 30, 2011.

DATED at Salt Lake City, Utah, this 13th day of September, 2011.
