Subject: Compliance to Commission Order in Docket No. 11-057-12, Questar Gas DSM Budget for 2012.

ISSUE:

On December 2, 2011, the Utah Public Service Commission (Commission) issued an order in Docket No. 11-057-12 approving Questar Gas Company (Questar) 2012 DSM Budget. As part of that order, the Commission requested “the Company and Division prepare a recommendation to the Commission regarding reporting requirements”.¹ This is the Division’s recommendation regarding those reporting requirements.

RECOMMEND EXTEND ORDERD REPORTING REQUIREMENTS:

The Division of Public Utilities (Division) recommends the reporting requirements ordered in Docket No. 09-057-15 remain effective for each DSM budget year.

DISCUSSION:

In the order in Docket No. 09-057-15 the Commission stated:

¹ Commission Order, Docket No. 11-057-12, page 3.

“In addition to the current requirement that Questar report to the Commission when any DSM program reaches 90% of its Budget, if any DSM program reaches fifty percent (50%) of its Budget before June 2010 or eighty percent (80%) by August 2010, Questar must notify the Commission.”²

The Division’s recommendation is to make the aforementioned reporting requirements effective for each DSM budget year rather than limit it to the specific dates mentioned in the order.
