RE: Docket No. 11-057-T02

Application of Questar Gas Company to Make Tariff Modifications to Clarify the Method for Determining Allowances for Residential Main and Service Line Extensions

Dear Mr. McKay:

The Commission has reviewed the proposed tariff revisions transmitted on March 17, 2011, and the subsequent revisions filed by the Division of Public Utilities (Division) attached to its April 11, 2011, Memorandum. We note Questar Gas Company (Questar) filed a letter on April 14, 2011, accepting the Division's suggested changes and that the Office of Consumer Services also filed a Memorandum on April 11, 2011, agreeing with the Division's and Company's changes.

The Division has recommended that the Commission accept the revisions in the above named tariff. Now therefore, the revisions, with an effective date of April 18, 2011, have hereby been approved by the Commission. We direct Questar to final tariff pages reflecting the Division's changes.

Sincerely,

/s/ Julie Orchard
Commission Secretary
