CHRIS PARKER
Director, Division of Public Utilities

ACTION REQUEST RESPONSE

To: Public Service Commission

From: Division of Public Utilities
Chris Parker, Director
Energy Section
Marlin H. Barrow, Technical Consultant
Artie Powell, Manager

Date: April 27, 2011

Subject: Docket No. 11-057-T02

ISSUE:

On April 11, 2011, the Division filed a response to a Commission Action Request regarding Questar Gas Company's revised tariff sheets for §9.03 and §9.04 of their Utah Natural Gas Tariff PSCU 400 with some recommended changes. On April 14th, the Company filed a letter accepting the Division's recommendation and on that same date the Commission issued a letter to Questar Gas Company approving those changes. The Company incorporated those changes into their tariff and filed the completed tariff with the Commission on April 20th. An Action Request to the Division of Public Utilities (Division) to investigate and review for compliance was issued on April 25th. This is the Division response to that Action Request.

RECOMMENDATION:

The Division recommends the Commission accept the tariff sheets filed with the Commission on April 20th.

DISCUSSION:

The Division has reviewed the revised tariff sheets and notes they are in compliance with the tariffs approved by the Commission on April 14th and therefore recommends the Commission accept the tariff sheets and request that the Company issue an advice letter to its Utah Tariff Holders of record informing them of the changes in §9.03 and §9.04 of their Utah Natural GasTariff PSCU 400.
