Subject: Questar Gas Company (QGC) DSM Amortization Docket No. 12-057-10.

ISSUE:

The DSM Amortization rate in the above Docket was approved by the Public Service Commission (Commission) on an interim basis in an order issued on September 10, 2012.

RECOMMENDATION:

The Division of Public Utilities (Division) recommends the Commission issue a final order in QGC's Docket No. 12-057-10 making the GS DSM Amortization rate final.

DISCUSSION:

Per the Division's memo issued on October 12, 2012, the Division completed its review and audit of QGC's DSM accounts through June 30, 2012 finding no exceptions warranting keeping the above Docket open. The Division recommends the Commission issue a final order in Docket No. 12-057-10 making the GS DSM Amortization rate established in that docket final.
