Re: *Questar Gas Company's Confidential IRP Third Quarter Variance Report  
Covering the period from December 2013 through February 2014 for Docket No.  
13-057-04 (June 2013 IRP)*

Dear Mr. Widerburg:

In compliance with the Modified Standards and Guidelines for Integrated Resource Planning, the Report and Order in Docket No. 09-057-07 dated March 22, 2010, the Report and Order dated August 6, 2012 in Docket 12-057-07, and the Report and Order in Docket No. 13-057-04 dated October 22, 2013, Questar Gas Company submits an original and seven copies of its confidential Third Quarter Variance Report for the months December 2013 through February 2014.

These reports are filed as confidential information pursuant to Utah Admin. Code § 746-100-16 *et seq.* Questar Gas desires that this information not be released to the general public because to do so could put the company at a bargaining disadvantage with producers. Questar Gas requests that the Commission maintain this report as confidential pursuant to the applicable rules and regulations. The Company will provide confidential copies of this report to the Division of Public Utilities and the Committee of Consumer Services pursuant to the confidentiality provisions of Utah Admin. Code § 746-100-16, *et seq.*

I have also enclosed, for the Commission's convenience, a non-confidential redacted copy of the Report.

If you have any questions regarding this matter, please do not hesitate to contact me.

Very truly yours,

  
Jennifer Nelson Clark
