Re: *Questar Gas Company's Confidential IRP Third Quarter Variance Report
Covering the Period from December 2013 through February 2014 for Docket No.
13-057-04 (June 2013 IRP)*

Dear Mr. Widerburg:

I am writing as a follow up to my May 30, 2014 correspondence in the above-referenced matter. We inadvertently attached the Second Quarter Variance Report to that letter instead of the Third Quarter Variance Report. The attachments were correct, but the first two pages (the report itself) were incorrect.

I have attached the correct Confidential Third Quarter Variance Report. Please substitute these two pages for the two incorrect pages. I have also included a non-confidential version for your convenience.

Please do not hesitate to contact me if you have any questions or concerns.

Sincerely,

Jenniffer Clark
