Subject: **Request to Extend Comment Period** Docket 13-057-14

In the Matter of: In the Matter of the Application of Questar Gas Company for Approval of the 2014 Year Budget for Energy Efficiency Programs and Market Transformation Initiative

The Office of Consumer Services "Office" requests that the Public Service Commission "Commission" extend the Comment Period on Docket 13-057-14 to November 27, 2013 and that the deadline for Reply Comments be subsequently extended to December 12, 2013.

The Office has contacted Questar Gas Company and the Division of Public Utilities; neither party has any objection to the extension. The dates being requested were chosen based on input from these two parties.

The Office has identified some additional questions and is working with Questar Gas Company to get additional information and clarification. The extension will allow the Office time to complete a full analysis.
