Dear: Chris Raver

As a valued customer of Questar Gas Company, we wish to thank you for the opportunity to serve your natural gas needs. Your continued business is important to us. However, current circumstances require us to notify you that your gas service may be terminated for failure to pay according to the terms of the deferred payment agreement (DPA) we set up for you on 05-01-2013. Rules established by the Public Service Commission require customers to pay the DPA monthly installment in addition to current charges for gas service on or before the date due to remain eligible for a DPA.

If a customer is unable or unwilling to pay for gas used, other customers may unfairly bear that cost. Therefore, we cannot continue to provide gas service (and regulations require termination of gas service) to customers who do not pay past-due amounts or arrange to pay according to terms set by the Public Service Commission. To maintain gas service you must now pay the delinquent balance.

We desire to work with you to resolve this situation. Please contact us as soon as possible at (801) 324-5111 or (800) 323-5517, Monday through Friday, 7 a.m. to 6 p.m. We hope to continue to serve your future natural gas needs.

Sincerely,

Questar Gas Company
