Re: Docket No. 14-057-03 Questar Gas Company Utah Results of Operations Report for the Twelve Months Ended December 31, 2013. In the Matter of Questar Gas Company Financial Documents Filed in 2014.

On April 21, 2014, Questar Gas Company (“Company”) filed with the Commission its December 2013 Results of Operations. On May 2, 2014, the Commission issued an Action Request to the Division requesting a review of the filing and to make recommendations. The Commission asked the Division to report back by June 2, 2014.

Upon initial review of the filing, the Division has determined that the review will require requests for information from the Company. Therefore, the Division is hereby requesting that the Commission extend the due date of the Division’s response to the Action Request to July 11, 2014. This will allow the Division adequate time to make the proper review and recommendations.
