3

PROCEEDINGS

4

THE HEARING OFFICER: Let's go ahead and go

5

on the record.

6

Good afternoon. This is the time and the place for

7

the public witness hearing in the following dockets: Docket No.

8

14-057-09, In the Matter of the Pass-Through Application of

9

Questar Gas Company for an Adjustment of Rates and Charges

10

for Natural Gas Service in Utah; and in Docket No. 14-057-10,

11

In the Matter of Application of Questar Gas Company to

12

Amortize the Conservation Enabling Tariff Balancing Account.

13

My name is Jordan White. The commissioners

14

have asked that I act as presiding officer for this public witness

15

hearing.

16

So, this is the time that the Commission has

17

designated to hear from members of the public. We welcome

18

you this afternoon. We have circulated a sign-up list, I believe,

19

and invite anyone who desires to make statements to the

20

Commission to do so this afternoon, and just ask that they sign

21

their names at first. So, if you intend to actually make a

22

statement or speak, please do so, please sign up.

23

We also have counsel for parties participating in

24

the evidentiary hearing for both these dockets here this

25

morning. So, if it's okay, I'd like to ask them to identify

1 themselves for the record. We'll start with the applicant,
2 Questar.

3 MS. CLARK: Thank you. Jenniffer Nelson Clark on
4 behalf of Questar Gas Company.

5 MR. JETTER: Justin Jetter with the Utah Attorney
6 General's office representing the Utah Division of Public
7 Utilities.

8 THE HEARING OFFICER: Okay. Thank you. Let
9 me go ahead and go off the record.

10 (A discussion was held off the record.)

11 THE HEARING OFFICER: Go ahead and go back
12 on the record.

13 It's ten after right now. Is there anyone who signed
14 up for public comments yet?

15 MR. MARTINEZ: No. No one showed up yet.

16 THE HEARING OFFICER: Why don't we go ahead,
17 then, and take a brief recess. We'll just go off the record now.
18 Thanks.

19 Before we took a quick recess, is there anything,
20 other procedural matters, the parties would like to address with
21 respect to these two dockets?

22 MS. CLARK: None for the Company.

23 MR. JETTER: Nothing from the Division.

24 THE HEARING OFFICER: Okay. All right. Thanks.
25 We're off the record. Thanks.

THE HEARING OFFICER: Okay. Back on the record. Appreciate everyone's participation today. There is no other public who have desire to make a statement? No one signed up, correct, that we're aware of?

Okay. Hearing none, it's a quarter after. I think we'll--the public witness hearing is now closed. Having considered Questar's applications, the comments filed in this docket and testimony presented today and the fact that the applications were unopposed, the Commission approves the applications on tariff sheets filed in Docket Nos. 14-057-09 and 13-057-10, effective June 1, 2014, on an interim basis until such time as the Division completes an audit of the entries into their respective accounts. The Commission will issue an order memorializing this bench order in due course.

Before we adjourn today, are there any other procedural matters to be addressed by parties?

THE REPORTER: Excuse me. I think on the second docket you said "13."

THE HEARING OFFICER: Oh, sorry. Apologize. It's 14-057-09 and 14-057-10. Thanks.

Okay. Hearing no other procedural matters, we're adjourned. Thank you very much.
