ISSUED: September 17, 2014

On August 8, 2014, the Public Service Commission of Utah (“Commission”) issued a First Order Amending Scheduling Order and Notices of Technical Conference and Hearing (“Scheduling Order”). On September 16, 2014, Questar Gas Company (“QGC”) filed a Second Motion to Amend the Scheduling Order (“Motion”). The Motion states QGC and the complainants in this docket have met to discuss settlement and communicated with the Division of Public Utilities (“Division”), the Office of Consumer Services (“Office”), and counsel for Shell Energy North America (US), L.P. (“Shell”). QGC believes further settlement discussions are appropriate and settlement is possible. Accordingly, the Motion seeks amendment of the Scheduling Order to allow all parties in this docket to complete settlement discussions and to draft and execute a settlement stipulation. Specifically, the Motion requests the Commission vacate the remaining dates in the Scheduling Order and issue an amended scheduling order with surrebuttal testimony and replies to responses to motions for all parties due October 21, 2014, and a hearing on October 28, 2014.

The Motion indicates counsel for QGC communicated with counsel for the complainants, the Division, the Office and counsel for Shell and none of those parties oppose the proposed schedule. Based on the foregoing and for other good cause showing, the remaining dates of the Scheduling Order are vacated and are replaced with the following:
