ISSUED: January 7, 2015

On January 5, 2015, Questar Gas Company (“Questar”) filed a motion to modify and replace tariff sheets for the GS, FS, IS, TS, FT-1, MT and NGV classes. According to Questar, the proposed replacement tariff sheets reflect changes to the Infrastructure Rate Adjustment component of the distribution non-gas rate of the previously mentioned rate schedules to reflect the impact of bonus depreciation recently signed into law on December 19, 2014, as part of the Tax Increase Prevention Act of 2014 (HR 5771). Questar represents that if the proposed updated tariff sheets are approved, the typical customer will see a decrease in their bill of \$0.16 per year, or about 0.02 percent. Questar requests the Commission accept and approve the updated tariff sheets, effective February 1, 2015.

Any interested party may submit comments on Questar’s motion on or before **Thursday, January 15, 2015**, and reply comments may be submitted on or before **Wednesday, January 21, 2015**.
