Subject: Complaint - Questar Gas
To: gwiderburg@utah.gov

-- Gary,
Attached is the complaint.
I would prefer that this not be made public with without redaction.
Additionally, I wanted to comment and complain about the handling of this complaint by the Division, i.e. Ms. Martinez, forcing the formal complaint, failure to investigate, the huge disparity between the website, the code and the statements of Martinez.
Thank you
Joe Cook
