Attached signed complaint

Warren has been and is now, I believe, still out of town. He has the complaint and I am sure will sign and return it to you as soon as he hits the ground.

Moving forward, do I need to do something further to cause Questar to respond to the specific requests that I have made?

Thank you.

A handwritten signature in blue ink, appearing to read "Joseph Cook". The signature is fluid and cursive, with the first name "Joseph" being more prominent than the last name "Cook".
