RE: Docket No. 14-057-29, "In the Matter of Questar Gas Company's Replacement Infrastructure 2015 Annual Plan and Budget"

Dear Mr. McKay:

The Utah Division of Public Utilities ("Division") reviewed Questar Gas Company's November 14, 2014, 2015 Replacement Infrastructure Annual Plan and Budget ("2015 Plan"). The Division concludes the 2015 Plan is in compliance with the reporting requirements approved by the Commission in the February 21, 2014, Report and Order in Docket No. 13-057-05, "In the Matter of the Application of Questar Gas Company to Increase Distribution Rates and Charges and Make Tariff Modifications" ("February 21 Order"). The Division recommends the Commission accept the 2015 Plan as it is compliant with the reporting requirements identified in paragraph 22 of the Partial Settlement Stipulation attached to the February 21 Order. No other comments were filed in this docket.

The Commission concurs with the Division's recommendation and acknowledges Questar Gas Company's 2015 Replacement Infrastructure Annual Plan and Budget as compliant with the Commission's reporting requirements.

Sincerely,

/s/ Gary L. Widerburg  
Commission Secretary
