BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

IN THE MATTER OF THE APPLICATION OF QUESTAR GAS COMPANY TO MAKE TARIFF MODIFICATIONS TO CHARGE TRANSPORTATION CUSTOMERS FOR USE OF SUPPLIER-NON-GAS SERVICES	Docket No. 14-057-31 APPLICATION
--	---

Pursuant to Utah Code Ann. § 54-3-3, Utah Code Ann. § 54-4-1 *et seq.*, and Utah Administrative Code §R746-100-1 *et seq.*, Questar Gas Company (Questar Gas or Company) respectfully requests that the Utah Public Service Commission (Commission) approve certain proposed changes to the Company's Utah Natural Gas Tariff No. 400 (Tariff) as more fully set forth herein. Specifically, Questar Gas Company seeks to charge transportation customers for their use of supplier-non-gas services.

As more fully set forth in the Direct Testimony of Kelly B. Mendenhall which is attached hereto as QGC Exhibit 1.0, transportation customers or their agents who do not accurately nominate volumes for delivery into Questar Gas system utilize Questar Gas' transportation, No-Notice Transportation (NNT) and Storage services. When transportation customers use more or less natural gas than is nominated and delivered into

Questar Gas' system on their behalf, Questar Gas must utilize its transportation and NNT to deliver volumes for injection or withdrawal from storage in order to absorb the imbalance. Historically, Questar Gas' firm sales customers have paid for the transportation, NNT and Storage services and transportation customers have not. Questar Gas contends that transportation customers should pay for the services they are utilizing and proposes to charge those transportation customers who utilize those services and to thereby eliminate the interclass subsidy.

QGC Exhibit 1.0, the Direct Testimony of Kelly B. Mendenhall, is attached in support of this Application and is incorporated herein by this reference.

WHEREFORE, Questar Gas Company respectfully requests that the Commission:

A. Schedule a time and place for hearing on this Application and give appropriate notice in accordance with Utah law; and

B. Enter an order authorizing Questar Gas to implement the proposed changes to be effective February 1, 2014.

RESPECTFULLY SUBMITTED this 18th day of December, 2014.
