---

Summit Energy, LLC (Summit) hereby submits its First Data Request in this Docket to Questar Gas Company (QGC):

1. Provide the daily, ID2 confirmed, receipt volumes into QGC from Questar Pipeline Company (QPC) at Map 164 in aggregate for TS, MT and FT1 rate schedules during the period beginning December 1, 2013 through November 30, 2014. For clarity, the request is for one volume per day for the combination of the TS, MT and FT1 rate schedules.
2. Provide daily aggregate imbalance volumes (combined netted value for the TS, MT and FT1 rate schedules during the period beginning December 1, 2013 through

November 30, 2014. For clarity, the request is seeking one volume per day indicating the net imbalance across the TS, MT and FT1 rate schedules.

3. Provide daily nominations for QGC at Clay Basin for all withdraws and injections during the period beginning December 1, 2013 through November 2014 for the Timely, Evening, ID1 and ID2 cycles. (Reports from Questline are sufficient).

4. Provide, ID2 confirmed, total receipt volumes into QGC from QPC at Map 164 (all rate schedules combined) during the period beginning December 1, 2013 through November 30, 2014. For clarity, this request is seeking a single daily lump sum volume for the combination of all QGC rate schedules received at Map 164 from QPC into QGC.
