Re: Docket No. 15-057-03, In the Matter of Questar Gas Company's Energy Efficiency Reports

Dear Mr. Parker,

On March 19, 2015, Questar Gas Company filed its Energy Efficiency (EE) Report for the Year Ended December 31, 2014. On April 17, 2015, the Commission issued an action request to the Division of Public Utilities (Division) to provide its annual report pursuant to the Commission's January 16, 2007, Order in Docket No. 05-057-T01 (January Order).¹ Specifically, Paragraph 10 states: "The Division shall submit, at a minimum, annual reports regarding the effectiveness, evaluation and measurement of Questar's DSM programs."

On May 21, 2015, the Division filed its report in response to the Commission's action request. The Division states: "The purpose of this report is to provide 2014 year end actual results compared to the 2014 EE budget, as approved by the Commission in Docket No. 13-057-14."² On May 27, 2015, the Commission issued a Notice of Filing and Comment Period, inviting comments and reply comments on the report by June 22, 2015, and June 29, 2015, respectively. No comments were filed.

The Commission thanks the Division for preparing and filing its report. The Commission has reviewed the Division's report and concludes it is in compliance with the Commission's January Order.

Sincerely,

/s/ Gary L. Widerburg
Commission Secretary
DW#267270
