Dear Commissioners:

Pursuant to the Order Approving Stipulation in Docket No. 15-057-10, Questar Gas is filing its report of the five-year forward curve. The curve is included as Attachment 1. This curve was calculated using the same method as described in paragraph 14 of the Settlement Stipulation in Docket No. 15-057-10. For informational purposes, we have also included Attachment 2, which shows that during the 2015-2016 IRP year, 61% of the forecast demand for Questar Gas customers was supplied by Wexpro production.

Please let me know if you need any other information or have any questions.

Regards,

Barrie L. McKay
