Laurie,

On August 23<sup>rd</sup>, 2016 we filed a letter and accompanying 5-year forward curve in Docket No. 15-057-10. In that filing, we did not include the data to calculate the curve. To make the record complete, I have included that data in the attached spreadsheet. Would you please see that it is included in the Commission's records? If you have any questions, please let me know.
