Re: **No Action Required**, Docket No. 15-057-11

Recommendation (No Action)

The Utah Public Service Commission issued a supplemental action request on December 27, 2018, asking for final recommendations regarding interim rates set in Docket No. 15-057-11. Because the interim rates set in that docket were in effect for part of 2015 and 2016, the Division will give final recommendations on those rates at the conclusion of its audit of the 191 account for the 2016 year. The portion of the 2015 audit memo referenced in the supplemental action request¹ merely notes that interim rates from those dockets were in effect at some point during the 2015 year. In the case of interim rates set in Docket No. 15-057-11, those rates carried over into 2016 and final recommendations will be given in that audit memo. Therefore, the Division recommends that no action be taken regarding Docket 15-057-11 at this time.
